## CHAMBERS AT GALIANO HALL DENIES CHARGE OF PATRONAGE

GALIANO ISLAND, Feb. 28. — The Liberal candidate for the Nanaimo federal riding, Alan Chambers, addressed a meeting in the Galiano Hall on Wednesday, Feb. 21st. The meeting was well attended. Captain I. G. Denroche acted as chairman, and in a few well chosen words introduced Mr. Chambers, who is already known to many here, having been Liberal candidate in the last federal election in 1935, and has also visited the island occasionally.

Mr. Chambers gave a most interesting speech. He outlined the war efforts of the Canadian people, first explaining the domestic front and then the military front.

He denied that patronage or favoritism were shown by the Government in the appointment of officials, such as General McNaughton of Ottawa, who commands the overseas troops, but who is a strong Conservative. Did that look like favoritism by the Government? asked Mr. Chambers.

He also said that some people had said Canada's war effort was inadequate. He pointed out that the first Dominion troops to go overseas were Canadians, that the navy had been doubled in strength, and that the Canadian air force will play a great part in this war as it did in the Great War, when one out of every three pilots over there was a Canadian.

He dealt with conscription saying that he was completely against it. Conscription, said Mr. Chambers, is not necessary. Britain (Please turn to Page Three)

## TO RE-ENACT FIERY CROSS ON SATURDAY

The re-enacting of the Fiery Cross — four pipe bands converging from all points of the compass — will open the evening's festivities on Saturday, March 2nd, the date of the annual re-union of the British Columbia Pipers, to take place in the auditorium of the Britannia Branch of the Canadian Legion, 715 View Street, Victoria, at 8 o'clock p.m. These four pipe bands will leave (weather and other conditions permitting) from designated points in the city and march to the hall — members and, guests desiring, to fall in behind the bands. Members are asked to wear Highland dress.

During the silent tribute the family tune of the late Governor General, Lord Tweedsmuir, "Logie of Buchanan," will be played.

The evening's program will be composed of three compositions of bagpipe airs, songs and marches, and prizes will be presented.

Members are asked to present their 1939 or 1940 membership tickets at the door.

## DENTAL CLINIC CONSIDERED BY INSTITUTE

GANGES, Feb. 28. — The regular monthly meeting of the Ganges Women's Institute was held Friday afternoon in the committee room of the Mahon Hall, Ganges, the president, Mrs. Charlesworth, in the chair.

Ordinary routine business was followed by the reading of correspondence, which included a letter from a family in the Peace River district, acknowledging, with thanks, the institute's gift of clothing; to help in this case of necessity, it was decided to make, and send, a further donation of new baby clothing.

After some discussion the organization decided to sell a quantity of wool, which had been made and carded by members.

The subject of, again, holding a dental clinic at Ganges was gone into and the secretary asked to write and find out if it could be had, this year, on the same terms as previously; to help raise funds towards the project, if procurable, a delicatessen sale will be held on Thursday, March 21st, in Ganges Inn; all arrangements to be left in the hands of the executive.

It was arranged to hold another garden competition this year for children between the ages of 8 and 14. Beans, carrots, potatoes, corn and, where possible, late sweet peas, were to be planted for the contest. A quantity of seed has already been donated by J. A. Nunn of Sidney and other seed has been promised. The gardens committee, which includes Mrs. N. W. Wilson and Mrs. A. B. Elliot, will be in charge of all arrangements.

Ten hostesses for the afternoon were Mrs. Wilson and Mrs. H. Johnson.

## PUPILS PUT ON PROGRAM

GANGES, Feb. 28. — The junior pupils of Mrs. Doris L. Crofton, L.R.S.M., Ganges, entertained their parents and friends on Saturday afternoon at the home of their teacher.

Pianoforte solos, duets and a trio were rendered by the following pupils: Muriel Cropper, Lillian Henn, Dorothy Rush, Pat Jameski, Bobby Rush, Tommy Reid, John Price. Mrs. Crofton brought the program to a close with two numbers played by herself, Andagio Cantabile from Beethoven's Sonata "Pathetique" and Sindling's "Kustle of Spring."

Small prizes were presented to the following children for sight-reading and style in playing: Lillian Henn, Dorothy Rush, Tommy Reid and John Price.

The annual recital is usually held in June, when seniors and juniors combine to make up the program and prizes are awarded for the year's work.

Following the afternoon's program a delightful tea was served.

## JESSE JAMES WAS WHAT HIS LAWLESS TIMES MADE HIM

What sort of man would Jesse James have been if he had been born in a different era?

The question is raised by Darryl F. Zanuck's magnificent Technicolor production, "Jesse James," currently starring Tyrone Power, Henry Fonda, Nancy Kelly and Randolph Scott at the Rex Theatre, Ganges, which forcibly brings home the fact that the world's most daring desperado was a product of his times.

For Jesse James lived in a day when a spirit of lawlessness was abroad in the land.

After the Civil War, the heart and mind of America turned toward the winning of the West. The symbol of this era was the building of the transcontinental railroads.

But the advance of the "Iron Horse" brought sorrow as well as prosperity in its wake. For to many of the hardy pioneers of the West it meant the confiscation of their lands and property.

As a matter of fact, it was their part in the struggle of the Missouri farm people to save their homes from this unscrupulous seizure by the railroads, that turned young Jesse James and his equally notorious brother, Frank, to the life of outlawry which colored their whole era and endowed the decade which saw their most daring deeds with the title, the "Savage Seventies."

While our day is likely to look upon Jesse as a ruthless desperado, the people of his own times regarded him with a more indulgent eye. Displaying a remarkable amount of tact for that rough-and-ready era, the mountaineers in the Missouri Ozarks where he flourished were wont to dignify his career by terming it "horse and pistol work."

## PICTURE SHOW AIDS SCHOOL

GANGES, Feb. 28. — Organized by the school teachers, for the benefit of the Salt Spring Island Consolidated School, Pender's British American Bapeo Paint Co. showed a series of moving pictures Monday evening, last week, at the Mahon Hall, Ganges. There was a good attendance and the sum of \$26.90 was cleared for the funds.

The chairman, E. Parsons, introduced Fred Pierce, who described the Penderay plant. He referred to the founder of the firm, J. W. Penderay, who came from Cornwall, England, to Victoria, where as an early settler he started the business. The screen then depicted the process of making paints and enamels.

Most interesting pictures were shown of the King's and Queen's visit to Victoria and the various activities of Their Majesties during their stay in the capital.

The travelogue included scenes of Paris, with its many ancient and historic buildings and also several attractive views of Egypt. Among other films shown was a series of comic talkies for the children.

## PICTURES OF FORESTRY ARE TO BE SHOWN

The pictures will be shown on Friday, March 15th, in the Guide and Scout Hall, Sidney. There will be no admission price but a collection will be taken to defray expenses. Those interested in this great work should reserve the date and attend.

The men's game should prove very exciting, the visiting team being the Oak Bay Alumni basketball team, six giants, undefeated, as yet. The South Salt Spring men will endeavor to stop this aggregation.

Here's the individual line-up of the giants:

Lorris Robinson, 6' 3", centre, fast and tricky.

Ned Sparks, 6' 5", 210 lbs., nicknamed "Stonewall," plays guard.

Stan Davies, 6' 1", forward, one of the best shots in Senior B basketball.

Bill Millburn, 6' 5", forward, one of the best play-makers in Senior B basketball.

Warren Cameron, 5' 5", the only short one, but he makes up for this by being the fastest player on the team, a good shot, from any angle.

Bill Hibberson, 6', 190 lbs., guard.

South Salt Spring line-up — Gordon Hartley, Leslie Mollet, Lloyd Rowland, Charlie Brenton, Ernie Brenton and Bob Akerman.

The South End girls will play the Ganges girls.

## VERY AMUSING PLAY PUT ON BY RED CROSS APPRECIATED

BRENTWOOD BAY, Feb. 28. — The Canadian Red Cross Players presented Shakespeare's "A Midsummer Night's Dream," in a most amusing performance on Saturday evening in the Women's Institute Hall.

For the outstanding performance Director Carroll Aikens, formerly with Hart House Theatre in Toronto, deserves great credit.

Stewart Clark also merits special note for his work as properties man.

The costumes, scenery and lighting lent effects themselves aptly to stirring the imagination of the responsive audience.

Among the players who gave a splendid interpretation were: Clemency Ord, as the mischievous Puck; Frazer Lister as Demetrius, who is irretrievably in love with Hermia — the role of Hermia taken by Joyce Bayliss. In this confused and humorous "Affaire des coeurs," Hermia is in love with Lysander, portrayed by Jim McArree; Irene Murray as Helena in love with Demetrius; Bill Crowther as Philostrate, master of the rebels to Theseus, with Bottom acted with high spirits by John W. Green.

The part of Titania, the lovely queen of the fairies, was well portrayed by Julia Kent-Jones.

Others among the cast were:

Jack Ruttan as Theseus, Duke of Athens.

Robert Baird as Egeus, father of Hermia.

Jim Kearney as Quince, a carpenter.

Duff McDowell as Snug, a joiner.

Allen Jones as Flute.

Len Weaver as Snout.

Edmond de St. Jorre as Starveling.

Ethne Savage as Hippolyta, queen of the Amazons.

Russell Twining as Oberon, King of the Fairies.

Elaine Harte as Peaseblossom (Please turn to Page Three)

## C.C.F. STATES WAR POLICY, CHALLENGE MR. CUNLIFFE

FULFORD, Feb. 28. — Saturday evening at the Fulford Community Hall, Ronald Grantham, C.C.F. candidate in the Nanaimo riding, answered the challenge of F. S. Cunliffe, Conservative candidate, stated the war policy of the C.C.F. and challenged Mr. Cunliffe to state his peace aims. Mr. Grantham stated:

"The Allied Government should recognize the fundamental causes of unemployment, fascism and war lie in the economic system. They must be determined to remove these causes by transforming capitalist states into co-operative commonwealths. To this end the C.C.F. pledge themselves:

"1.—To end anarchy and power politics by giving sovereign power to an international authority.

"2.—To set free or to pool in a mandate system all colonial possessions.

"3.—To socialize banking, finance and the chief industries in order to plan for peace instead of war.

"4.—To invite all nations to take part in the necessary international co-operation, government, and administration, and in a policy of genuine collective security.

"5.—To guarantee equal political and economic rights to all nations along the right of each to order its domestic affairs as it sees fit."

Continuing, Mr. Grantham said: (Please turn to Page Two)

### TO KEEP ACTIVE

At the annual meeting of the Salt Spring Island Development Association and recently at a directors' meeting, the president of the organization, Gavin C. Mouat, stated it was his conviction that the association should function during these trying times.

We believe Mr. Mouat is right. If the organization were allowed to become inactive valuable work it is sponsoring would cease to be considered and progress would be replaced with indifference and there would be no united, island-wide push to the development of the largest island in the Gulf.

Salt Spring Island residents should be proud of an organization such as the Development Association and we believe they are. It is fortunate, indeed, that they have a leader of great energy with a vision of the future.

### STILL COMING IN

When we appealed for magazines and books for the Merchant Marine on behalf of the Provincial Police, there was a ready response and many loads have been taken to the police headquarters in Victoria to be sent to the various ports for use of sailors on their long trips across the ocean, often through danger zones, doing their bit to keep things going. Magazines and books are still coming and we are now informed from headquarters that they have received more books and magazines through the Review than all the rest of Vancouver Island points put together.

If you happen to have used books or magazines they can soon be "at sea"—if you feel that way—by bringing them to the Review office. Constable Thomson will see that they are speedily delivered to headquarters.

## Cash-In-Advance

### FOR POLITICAL ACCOUNTS

In line with the Standards of Practice recommended by the Canadian Weekly Newspapers' Association, a number of B.C. weeklies decided to establish a CASH-IN-ADVANCE policy for all local political advertising and printing during the Provincial Election campaign of 1937, and are continuing this policy for the Federal Election this year.

This policy the Review is adopting. Otherwise some political accounts are promptly paid while others are slow and hard to collect.

Authorization of political accounts often comes from different sources for one party: officers change, candidates change. When payment drags, responsibility for an account becomes obscured, and disputes arise. The CASH-IN-ADVANCE policy is best for all concerned.

### HELP APPRECIATED

Sir:—The president and members of the 1st Sidney Troop Group Committee wish to take this opportunity to thank the many persons in this district who have so kindly assisted in the work of Scouting by instructing and examining the boys for their various badges.

The Troop is doing remarkably good work and within the last four months some 93 proficiency badges have been awarded. This would not have been possible without the loyal and unstinting help from these public-spirited citizens.

Again we thank you.

E. L. HAMMOND,

Secretary.

## C.C.F. STATES WAR POLICY, CHALLENGE MR. CUNLIFFE

(Continued from Page One)

"We must have assurance that our war effort will not be futile. Unless it can realize such a program as I have outlined it will be futile, as we know from the results of the last war and the experiences we have gone through since.

"The C.C.F. urges peace as soon as possible. The longer it is delayed, the harder it will be to achieve.

"Fascism arises wherever capitalism is hard-pressed. We must resist its development in Canada and extend the democratic way of life. Experience should have taught us that we cannot settle the affairs of Europe."

William B. Caird, member of the C.C.F. Provincial Council, accompanied Mr. Grantham and also spoke. J. Reynolds was chairman.

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And he said unto them, When ye pray, say, Our Father which art in heaven, Hallowed be thy name. Thy kingdom come. Thy will be done, as in heaven, so in earth" (Luke 11:2).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Only as we rise above all material consciousness and sin, can we reach the heaven-born aspiration and spiritual consciousness, which is indicated in the Lord's Prayer and which instantaneously heals the sick."

## JESSE JAMES WAS WHAT HIS LAWLESS TIMES MADE HIM

(Continued from Page One.)

their attitude is contained in the epitaph on the monument erected over his grave, the unveiling of which forms a scene in this Darryl F. Zanuck production. It read:

In loving remembrance  
JESSE W. JAMES  
died April 3, 1882  
aged 34 years, 6 months, 28 days  
murdered by a traitor and coward  
whose name is not worthy  
to appear here

The anonymous reference is, of course, to the treacherous Bob Ford, a member of Jesse James' own band, who betrayed the bandit to the law and shot him down in cold blood to collect the price upon his head.

## CHAMBERS AT GALIANO HALL DENIES CHARGE OF PATRONAGE

(Continued from Page One)

wants Canada to be an arsenal and a granary, and money and goods are more to the point, than the lives of our splendid young men.

Mr. Chambers explained how the war will effect the pocketbook of the people of Canada. There are two ways to pay this debt, he said. Either borrow money payable 50 or 60 years hence or pay as we go, with low interest on callable bonds.

He dealt with peace and its problems, the unemployment which is sure to come at the end of the war. A plan should be brought about so that the young people should do the work, while the old people could rest. National superannuation should be brought about.

He closed his remarks by saying that if the electors of this constituency returned him to Ottawa, he would do all in his power to help the people, along the lines he had spoken of.

Following Mr. Chambers' speech a few questions were asked, and after the singing of "God Save the King" the meeting adjourned.

## Plant CANADIAN CERTIFIED SEED

**MAKE plans early this year to harvest a bumper crop of smooth, clean, high-quality potatoes.** Good seed is the first requirement for an excellent crop... because only good seed will grow vigorous plants, plants that can withstand most of the serious diseases common to potatoes.

Canadian Certified Seed Potatoes are good seed potatoes. By planting them, many of the losses due to disease will be avoided... higher-quality, cleaner, smoother, more uniform potatoes than those grown from ordinary seed stock will be produced.

So, this season, harvest finer potatoes — and more of them. Plant Canadian Certified Seed. Grow potatoes that will grade Canada No. 1. Canadian Certified Seed Potatoes are available in all standard varieties. Be sure to select the variety most suitable for your locality! Ask the local District Government Inspector, Plant Protection Division, for full information and list of nearest distributors.

Food supplies are important in wartime — This year, plant and raise only the best.

 Once A Beauty Spot, But Now —

But now I plough my weary way  
 Through cows, and mud, and cans,  
 Bottles beery,  
 Rubbers smeary,  
 Toasters, pots and pans;  
 Short lengths of wire  
 That tear my hose  
 And scratch my tender skin,  
 With longer strands that twist around  
 And fairly rope me in.

The ditches on the Clayton Road  
 Are meant to take flood water;  
 When they are stopped with sacks and shoes,  
 Can they do what they ought'er?  
 So when next winter's rains arrive  
 No doubt 'twill aid one's liver  
 To tackle mud, and cans, and cows,  
 While wading through a river.

Now pilots from Patricia Bay,  
 Take pity on my plight,  
 And drop me down some groceries  
 Upon your daily flight.  
 For if through cans, and cows, and mud,  
 My way I needs must carve,  
 Methinks it would be easier far  
 To stay at home and starve.

The regular meeting was opened  
 by the patrol leader of the Bull  
 Dogs and closed by the patrol  
 leader of the Antelopes.

Patrol instruction was given,  
 and several good competitions and  
 games were played.

Dr. Newton has received about  
 200 young trees from Mr. King.  
 If any boy wishes to get some  
 trees for their forester's badge,  
 please get in touch with Dr. New-  
 ton.

Instruction on tracking and  
 signs was given by the troop  
 leader. Several first and second  
 tests have been passed during the  
 week.

The attendance was fairly good,  
 but we hope it will be perfect  
 from now on during the absence of  
 our Scoutmaster. There will defi-  
 nitely be a meeting on Saturday.

The Scouts of Sidney join in  
 wishing Mr. King the best of suc-  
 cess in his reforestation work at  
 Campbell River.
